

How to Turn On and Change Subtitles on YouTube

Step 1: Open the Video

- Open the YouTube video you want to watch.

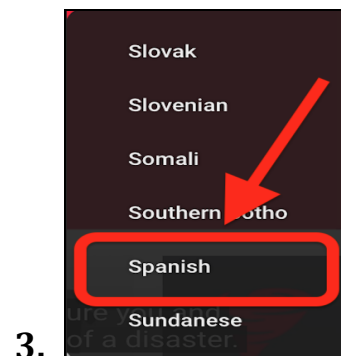

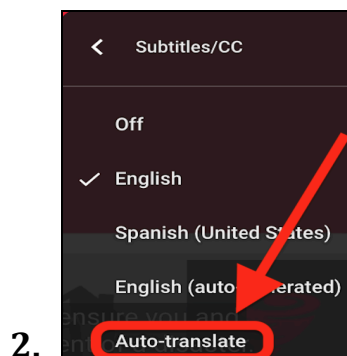

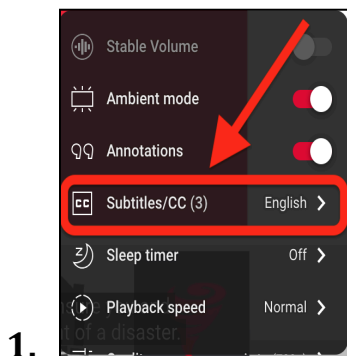

Step 2: Turn On Subtitles (CC)

-  **On Desktop:** Click the [CC] button at the bottom of the video.
-  **On Mobile:** Tap the three dots (⋮) in the top-right corner, then select [Captions] and choose [English] or another available language.

Step 3: Change Subtitle Language

- Click the gear icon (⚙️) for [Settings].
- Select [Subtitles/CC].
- If multiple languages are available, choose one. If not:
 - Select [Auto-translate].
 - Pick your preferred language from the list.

Step 4: Enjoy Your Video!

- Your subtitles should now appear in your selected language.
