Introduction/Opener/Activate Prior Knowledge

Using a white board or image of the hotel room, ask students as a group to share or shout out words of objects or items that are located in a hotel room. If something is broken in your hotel room, what do you do? If there is an emergency in or near your hotel room, who do you ask for help? Have you ever had something missing or needed more of something while staying in a hotel room?

Instructor will write a list as students give answers. Using the items on the list, ask if anyone can respond with the English word or phrase.

- Can anyone tell me how to say *yo necesito* en inglés?

Continue this conversation reviewing vocabulary from the previous hotel lesson.
