Lesson Instructions

Language Note: *The following lesson may be taught in the students' native language for beginning English Language Learners. If your students are more advanced, these same lessons can be taught using as much English as is appropriate.*

While there may be a variety of available activities, it is important to select the particular activities that can be used for group or individual practice to meet the needs of the students. The objective is for students to practice with engaging activities that will enable them to practice what they are learning.

Introduction/Opener/Activate Prior Knowledge

- What do you already know about this topic?
- Ideas for questions to begin discussion:
 - Example: In what situations would I use these words?

Introduce Key Vocabulary

Distribute the Vocabulary & Image Guide. Instructor will introduce each word in English, Spanish and practice pronunciation.

- Practice out loud as a group.
- Say the terms in English and have students repeat.
- Give students feedback with pronunciation.
- Repeat the term and give feedback until the student closely mimics your pronunciation.
- Flashcards on Quizlet (or paper)
 - English-Spanish (students can switch to start with Spanish)
 - English to image
 - English with descriptions
- Comprehension activities on Quizlet
- Interpretive comprehension activities with videos using EdPuzzle
- Vocabulary Practice Worksheet

Extension Activity/Connections to Other Topics

- Use simple dialogue scripts to role play. Learners read a role.
